James L. Greeson, State Fire Marshal  
Division of Fire and Building Safety

### Checklist for a Complete Plumbing Submittal

To qualify for a plumbing release, an applicant must provide one complete application indicating the plumbing scope of work, and plumbing drawings demonstrating compliance with all applicable building laws and fire safety laws including the following:

- Fixture location
  - Risers
  - Drains
  - Piping isometrics (showing sizes)
- 
- ☐ If a design professional is required, each page of all drawings shall include the signature and the seal of the design professional.
  - ☐ An applicant must demonstrate, through the submission of plans for construction that, the construction will comply with all applicable building laws and fire safety laws. Plans such as, "Preliminary", "Not for construction", "For reference only", "Future", or "Optional" are unacceptable for use in DFBS' plan review process.
